CASTLEHEAD-MEMORIES MADE!

65 children and 7 staff had a fantastic time at the start of this week on the Year 6 residential at Castlehead! They enjoyed canoeing, wall traversing and team building activities. The children LOVED learning outside the classroom, and spending time getting to know their new class teachers.

MANCHESTER CITY
COLLABORATION

A huge thank you to the Under 18 Manchester City Players that joined our Year 2 PE lesson on Wednesday. It was lovely to see them passing on their skills to the children. Thank you also for the wonderful equipment that was donated to us from Primary Stars. We cannot wait to use it all!

We look forward to further building on our affiliation with MCFC during this academic year.
