YEAR 2 TRIP:

MUSEUM OF SCIENCE AND INDUSTRY

Our lovely Year 2 children had a wonderful time this week on their class trips to the Museum of Science and Industry. Year 2 attended the MOSI this week, as they have been studying transport as their topic.

They watched a show called 'Engineer Eric', which explained how a steam train works, it was really fun! They also looked around the transport museum, and explored different modes of transport.

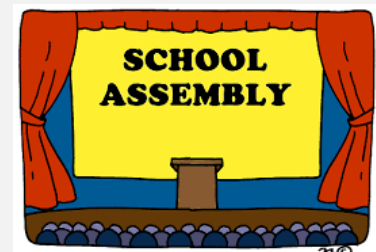

Trip money can still be taken and it is really important that families do make their contribution so these wonderful trips can continue in school.

REMEMBER.... Be in for 9 if you want to be on time!

School starts 8.45am, do not aim for 9, Then everyday you will be on time!

#a late mark is not a good start

What fantastic assemblies we enjoyed this week from Year 5 and 6 classes.

Thank you to all those parents/carers who came to support them!
