MCFC  
COLLABORATION

## EASTER SCHOOL

It was fantastic to see so many Year 2 and Year 6 children coming in to Easter school to take part in extra boosters to ensure they are 'SATs ready'

It was amazing to see the children enjoying this additional learning. A massive thank you also to those staff who gave up their holiday to ensure our children have access to this additional learning!

Look out for further information which will be coming up about the upcoming SATs for Year 2 and Year 6

Another exciting week enjoying our MCFC partnership at Stanley Grove!

On Tuesday this week we started our Lifestyles Course with City in the Community. The families enjoyed making healthy olettes and layered yoghurts.

In Year 5 we have also started a Literacy Programme with City in the Community. During this lesson the children played handball and then evaluated each other's technique.

Also in Year 5 we have enjoyed using their amazing robotics!

## ATTENDANCE NEWS

We are changing the way we reward attendance.

I will be rewarding children with between 96% and 98% attendance

I am concerned about children who have attendance between 90% and 95%

To be a Lenny you need to get attendance of between 98% and 100%

I am working to help children who have an attendance of less than 90%

Martha is proud to announce the classes with the highest attendance this year:

1<sup>st</sup> place 4 OAK with 97.1%  
2<sup>nd</sup> place 6 OAK with 97.0%  
3<sup>rd</sup> place 3 OAK with 96.9%

Coming Soon

We have a lot of exciting things coming up at Stanley Grove:

Wednesday 25<sup>th</sup> April @ 9am: Year 6 Parent Meeting

Thursday 3<sup>rd</sup> May: Gortons Got Talent

Thursday 3<sup>rd</sup> May: 5 Elm going to Dean Trust, Ardwick

## YEAR 2 TOPIC

In Year 2 our current topic is comparing the UK to Africa. Thank you to Al-Basit who brought in some traditional clothes to show the class. The children loved looking at all the patterns and bright colours!

### OUR NEW FRIENDS!

How wonderful are our new mosaic people that had been installed at the front of the main entrance! Have you seen them?

In the Easter holiday some of our lovely families came to help us to create a series of mosaics based around children at play. We have now installed them at the front of our school to welcome all visitors. It is part of a big project to make our playgrounds and outside spaces and inspiring place to be. Thank you to all who helped during the installation!
