# Stanley Grove Primary Academy

## GARDENING CLUB

This week an exciting new fun club launched in school-Gardening Club! The children enjoyed digging down into the tough clay to make way for their new plants.

## CHOIR

On Thursday this week the choir performed in their first competition at Dean Trust Ardwick! Keep your eye out on Facebook and Twitter for how they have gone on! Good luck from all at Stanley Grove!

## HOCKEY SUCCESS

On Monday this week, Stanley Grove was proud to host other local primary schools for an exciting hockey tournament. It was fantastic to see the 3G spring back to life after all the snow last week, and all the schools clearly enjoyed taking part in the tournament.

After the nail biting semi- finals, one Stanley Grove team, as well as and made it through to the Final!

Please check Facebook and Twitter for regular updates on the nail biting final, as we went to press, the children and Miss Chambers were gearing themselves up for the big match! Whatever the result, we are so proud of all the children for training so hard, and playing with such fantastic sportsmanship.

## TRIP FUN!

What a busy week for trips! We had Year 2 enjoy a trip to Crown Point North, as part of their Maths learning outside the classroom. They enjoyed looking at their local environment!

Meanwhile, some of our Year 6 children enjoyed a trip to an air raid shelter in Stockport, as part of their current topic!

Don't forget we are still accepting the trip money contributions so we can ensure these fantastic trips can continue.
